

Business Power Hour Workshop Series

Building Sustainable, Triple Bottom Line Businesses

The U.S. Small Business Administration (SBA) and the Alaska Small Business Development Center (SBDC) have teamed up to provide you a monthly series of no-cost workshops aimed at helping you start, grow, expand or recover your business.

For October's class, guest speaker Ashley Snookes of Spruce Root, Inc. will discuss building sustainable, triple bottom line businesses. For this workshop, you will:

- Learn what it means to be a sustainable business,
- Identify actual metrics you can use for tracking sustainability goals, and
- Take away a list of resources to learn more.

Webinar access will be emailed to registrants the day before the event.

The SBA and SBDC do not endorse the views, opinions, products or services of guest speakers. The information provided is for educational and informational purposes only. All SBA and SBDC programs and services are extended to the public on a nondiscriminatory basis.
